

## Community Nursing PSP: Suggested tweets

You're free to craft your own tweets / social media posts about the PSP, but if you need an idea or somewhere to start, feel free to use the below:

Nurses from @[trust] are supporting an important new @LindAlliance project to shape the future of community #nursing, and they want your help to find out what the issues and gaps are in our understanding of community nursing services: [link to story or project page ([www.arc-oxtv.nihr.ac.uk/communitynursingPSP](http://www.arc-oxtv.nihr.ac.uk/communitynursingPSP))]

The @LindAlliance #community #nursing priority setting partnership has just launched! We want your thoughts on what research is most important for the future of community nursing. Complete the survey here: [www.arc-oxtv.nihr.ac.uk/communitynursingPSP](http://www.arc-oxtv.nihr.ac.uk/communitynursingPSP) #communitynursing

Calling all #communitynurses / community-based healthcare professionals! Have your say about the future of #community #nursing research! Let us know in our first survey, available online here: <https://wh1.snapsurveys.com/s.asp?k=160077700411> #NHS #nurses

Have you ever used community nursing services, or still use them? If so, we want your thoughts on what might be the most important research that could improve the future of community #nursing <https://wh1.snapsurveys.com/s.asp?k=160077405337> #communitynursing #NHS
